- Mission: Customer Satisfaction Guaranteed
- Values: Speed, Visibility and Control

We are a Tech-Logistical Last Mile Delivery Company

We own ZERO cars
We employ ZERO courier
We ENABLE our community members

We have the capacity to deliver up to
10,000 shipments a day.

Delivery Challenges

Challenges:

Innovation

High Costs

Customer
Experience

- 1- Up-to-date inventory technology.
- 2- Mobile app for agents.
- 3- KPI-driven admin operation panel.

- 1- Highly efficient operational cost structure
- 2- Shared economy business model to reduce cost & scale easily.

- 1- One-to-one communication between delivery agents and consignees.
- 2- Multi-channel communication with customer service.
- 3- Tracking webpage for easy updates.
